Twilight Soirée
An Intimate Evening Wedding

2026 / 2027

Every season tells its own story at Delamere.

Welcome to your
Delamere Twilight Soirée

A Different Kind of Wedding Day

The Delamere Soirée is designed for couples who want the magic of Delamere without the formality of a full wedding day. Relaxed, romantic and entirely personal — with every detail taken care of from the moment you arrive.

For couples who understand that the most magical moments happen as the day draws to a close.

Set within the breathtaking grounds of Delamere Manor.

Available in Spring and Autumn 60 guests

March, April, September & October

A place like no other

The Estate

Some places have a quality that is impossible to manufacture. Delamere has been accumulating its magic for over a century

As the sun sets

As the afternoon light begins to soften, something extraordinary happens. The lake stills. The swans glide silently across the water. Trout rise to the surface, catching the last warmth of the day. The sky turns gold – sometimes rose, sometimes amber – and the ancient woodland settles into a gentle, peaceful quiet, broken only by the call of the owls beginning their evening.

Inside the orangery, a thousand twinkling lights come alive overhead. The follies glow softly in the dusk. The courtyard candles flicker into life. Imagine saying your vows in this moment. If you marry outside, the sky becomes your backdrop – gold and rose above the still water. If you choose the courtyard, the evening light filters through the glass as a thousand twinkling lights come alive overhead.

Delamere is at its most breathtaking in spring, when daffodils carpet the grounds and rhododendrons burst purple around the lake. Or in autumn, when the trees turn amber and gold, and the summerhouse disappears beneath a blaze of crimson ivy.

This is not a hotel. Not a converted barn. Not an events space. This is a home. And for one evening, it is entirely yours. Every season tells its own story at Delamere.
