The Delamere Winter Wedding

A Winter Tale

Welcome to a *Delamere Winter Tale*

A different kind of magic

A Delamere winter wedding means candlelight, pine-scented rooms and frost on the grounds, with warm mulled wine pressed into your hands the moment you arrive, in a house so beautifully dressed for the season that it takes your breath away.

The Winter Estate

A place like no other in winter

On the first of November something
wonderful happens at Delamere.

The fires are lit. The pine wreaths go on the gates. The 7ft Christmas trees take their places in the rooms downstairs – beautifully dressed, scenting the air with something that feels like memory. The fairy lights come on outside. The follies glow in the dark. And the house – this extraordinary, century-old home – wraps itself in warmth and candlelight and becomes something else entirely.

Something you have to see to believe.

Your Winter Wedding

How your day unfolds

Whether you choose a full day celebration or an intimate evening Twilight Soirée, every moment at Delamere in winter is designed to feel warm, unhurried and completely magical
